ABOUT ME

I am a 23 year old English Language and Literature graduate interested in software development. My entry to software development began with taking online courses on Python and building small projects with it, using various libraries. After I worked as a front-end developer intern, I have been primarily focusing on web development. I am currently working at Etstur as a software development assistant.

EXPERIENCES

JUL 25, 2022 - PRESENT

Etstur

SOFTWARE DEVELOPMENT ASSISTANT

Front-end development for Etstur web applications.

OCT 2021 - NOV 2021

1Pixel Digital Agency

FRONT-END DEVELOPER INTERN

Coding functional and responsive sections of pages that correspond to their respective graphical designs, which were provided as issues in Jira Agile development environment.

Integrating created page sections into Shopify themes to provide customizable and ease to use controls to merchants. In addition to integrating these sections to themes, fetching dynamic store data into page elements using Shopify Liquid templating language.

MAY 2020 - AUG 2021

Freelancer.com
