ABOUT ME

I am a 22 year old English Language and Literature student aspiring to take part in software development.

I am particularly interested in Python programming language, with intermediate knowledge of web-scraping, back-end development and database management applications.

I am eager to be a part of a software development team, where I can offer new ideas and assist in solving problems.

SKILLS

- Python
- BeautifulSoup
- Selenium
- PyQt5
- NumPy
- Pandas
- Django
- MS Word
- Other MS Office Products
- SQL (MySQL, PostgreSQL)
